COMMENTS FROM THE TOWN MANAGER'S OFFICE

The annual meeting of the Maine Municipal Association will be held in Portland on Nov. 14, 15, and 16. Bethel is a member of the association which entitles any municipal official to attend.

The list of registered voters now totals 1,332, with 653 men and 679 women registered. There will be several names to add as soon as the new registrations are approved by the Selectmen at the next board meeting. The above figures include new registrations through to Oct. 13th.

The formula for determining the approximate number of registered voters in Bethel is 65% of the latest estimated population of 2,500 which would be 1,625 potential voters. If this figure is at all accurate it would indicate that there are over 250 eligible persons that are not registered.

Anyone having registered in Bethel for eight or more years and have not voted in recent elections, might be well to check at the Town Office to see if their name appears on the voting list.

Registrations will be accepted and names added to the voting list through to and including Nov. 7th. However no names will be added to the voting list on election day as required by the election laws.

Sincerely,
Harold L. Bean

HUNTING SAFETY TIPS

Hunters are urged to use the utmost caution. Last year, there were 51 hunting accidents in the State of Maine, of which nine were fatal. These accidents can be prevented by using common sense and extreme caution. The most common causes of hunting accidents over the years have been careless handling of firearms and mistaking a person for game.

A few safety rules should be followed:

- (1) Be absolutely sure your target is game.
- (2) Never point your gun at anything you don't intend to shoot.
- (3) Shoot only at game "on your side." In other words, never shoot over or past another person.
- (4) Never load your gun until you're actually ready to start hunting.
- (5) Never take safety off until you're ready to shoot.
- (6) Be sure your gun is in perfect working condition.
- (7) Wear blaze-orange hunting clothes. Second safest color is neon-orange, followed by fire-orange.

In summary, be careful and good hunting!

The Bethel School Committee voted to continue with modifications the policy of allowing pupils to take private music lessons in the village during school hours. Prior to reaching this decision the committee held a joint meeting with the music teachers, faculty and P. T. A. representatives. During the one and one-half hour meeting the committee listened to reasons for and against continuation of private music lessons.

The committee felt that the problem of rescheduling music lessons made it advisable to continue the present policy. This was emphasized when some of the music teachers indicated they would not be able to give lessons to as many pupils unless the lessons were given during school hours. It was also pointed out that bus pupils would find it difficult to return home at night if they took music lessons after school.

There was unanimous agreement amongst the 14 people attending the joint meeting that music constitutes an integral part of the school curriculum.

In voting a modified policy the school committee stated:

"It shall be the policy of the Bethel School Committee to allow pupils enrolled in the Bethel Public Schools to take private music lessons in the town during the school day. The taking of private music lessons, however, shall be subject to the following conditions: a) the pupil's classroom teacher must approve the time scheduled for music lessons in order that the pupils will not miss instruction deemed necessary; b) if after private music lessons have begun, a pupil's academic grades fall below those previously attained the teacher shall review the reasons for lower grades and consult with the pupil's parents and music teacher as to the advisability of continued private music lessons during school hours; and, c) if it appears evident that it is best that no further loss of classroom instruction be incurred because of absence for private music lessons, the pupil shall not be excused from attendance in any academic class during the school day for the purpose of attending a private music lesson."

The School Committee has voted Mrs. Maxine Brown, primary teacher, a leave of absence, because of illness until December 31, 1960. In the meantime Grades 2 and 3 at the Primary School are being taught by Mrs. Howe.

Effective Monday, Oct. 31, there will be a change in two bus schedules. The Sunday River-North West Bethel bus will no longer pick-up Steam Mill pupils; this will allow the bus to pick up pupils about 10 minutes later than usual and shorten the length of their ride. In the past, it has been necessary because of the length of this route for primary pupils to ride on the bus for an hour or longer. The Albany bus will pick up Steam Mill pupils between 7:35 and 7:40 before coming to the village.

Gould 6—Norway 6
Coach Bob Scott takes his Gould Academy gridsters to Lisbon Saturday where they meet powerful Lisbon High, who last Saturday knocked South Paris from undefeated ranks with a 27 to 8 pummeling. The Huskies are decided underdogs as they will be facing a team with greater speed, greater weight, and greater experience. Lisbon's one-sided shut-out of Norway high, a team that Gould managed only to tie 6-6 last Saturday gives little hope to the Academy eleven.

Early in the final period Gould again made a long sustained drive bringing the ball

to the one yard line with third down coming up. The Norway line outcharged the Huskies and drove them back to the 3 yard line. The fourth down play failed.

Norway took over on their one yard line. After making one first down Dick Helkkinen, Norway fullback, broke in to the open and raced 70 yards before being brought down on the six. Two plays later he scored from 6 yards out. The placekick for point after was missed.

With only three minutes to go Gould was not to be outdone. A Norway penalty and two first downs put the ball on the NHS 30 yard line. On the next play, Steve Parent raced to his left, eluded a mass of tacklers and broke loose to score for Gould. The placekick was missed and the score stood 6-6. Three plays later the game was over.

Coach Bob Scott takes his Gould Academy gridsters to Lisbon Saturday where they meet powerful Lisbon High, who last Saturday knocked South Paris from undefeated ranks with a 27 to 8 pummeling. The Huskies are decided underdogs as they will be facing a team with greater speed, greater weight, and greater experience. Lisbon's one-sided shut-out of Norway high, a team that Gould managed only to tie 6-6 last Saturday gives little hope to the Academy eleven.

Early in the final period Gould again made a long sustained drive bringing the ball

to the one yard line with third down coming up. The Norway line outcharged the Huskies and drove them back to the 3 yard line. The fourth down play failed.

Norway took over on their one yard line. After making one first down Dick Helkkinen, Norway fullback, broke in to the open and raced 70 yards before being brought down on the six. Two plays later he scored from 6 yards out. The placekick for point after was missed.

With only three minutes to go Gould was not to be outdone. A Norway penalty and two first downs put the ball on the NHS 30 yard line. On the next play, Steve Parent raced to his left, eluded a mass of tacklers and broke loose to score for Gould. The placekick was missed and the score stood 6-6. Three plays later the game was over.

party. For the first hour various booths will be open where fortunes will be told, and a number of games of chance may be tried for a few pennies. After the booths are closed, skits will be put on by each of the four classes, all based on one central theme—Washington Irving's "Legend of Sleepy Hollow." Competition between classes will take on a vigorous note as they clash in relay races and contests. Dancing will follow. Parents are cordially invited to come and watch the skits in the William Bingham Gymnasium from 8 until 9 p. m.

Girls' hockey peg games are new underway. The four class teams will vie with each other for the peg championship. Next week, the victorious team will be announced. At present, the seniors are in first place defeating the now second place juniors 3-2 in a very closely matched game.
